The Premises:

Sauna on Lothian Road. Very clean and well set out. Nice reception area and shown around if new to it. All rooms are mirrored walls and ceiling :).

The Lady:

Maria was 5ft 5in tall and was wearing her stripper heels which gave her a few more inches. Was really slim and had nice long legs, but best of all had a great firm pair of tits (around 34 -36 D)

The Story:

Started of with giving me massage with her naked. Turned over and she went work with hands and mouth, as I played with her tits and pussy (which had 3 piercings). Once hard she went on top, then some mish and doggie. Finished off with her sitting on my face as she wanked me to a climax.

She is also a very nice girl to talk to.
