Des Res?? Don't think so. She can't possibly live there - nobody could. Even the plants had died.
An almost derelict flat above an estate agents in Kings Heath

Small - size 8, dark hair - looked tired.

The Story:

Having read her other reviews - maybe its just a chemistry thing - sometimes it just doesn't work. However I have to remind myself that these girls are PAID to make it work. This one really didn't bother, and I couldn't wait to leave. Oh, and she really needs to bathe more frequently.
