The Lady:

Very attractive, slim & dark haired lady with lovely soft skin. Great bottom and lovely firm 'D' cup enhanced breasts that have been well done.

The Story:

Had a great time with a real GFE. Emma is not the sort of girl to take the lead so may not suit any timid guys or first timers but was more than happy to follow my lead. Great DFK, OWO and loved the prolonged oral I performed on her. She took quite a while to have her first orgasm - not sure she thought I'd bother to take the time for her to feel right - but the second one came quickly and breathlessly. Really nice sex in cowgirl. She does not offer 'A' and is not into BDSM - I know this because she told me from the start that these were off limits which was not a problem as I was not looking for either.

Emma is a great lady and well worth a visit.
