The Premises:

Very nice house in a quiet street. Inside, it was very clean and tidy, but not overly so. A very welcoming and relaxing environment.

The Lady:

About 5'10" in her sexy, sexy heels. Voluptuous and curvy in a perfectly sexy way. She has gorgeous fiery red hair and the most beautiful legs that must be seen to be believed. All-in-all, simply stunning.

The Story:

We started off with a brief chat in the living room and "got the business out of the way". Things progress upstairs very quickly, where she pretty much immediately undressed me and thing got very hot very quickly! I'm not going into detail as to who did what to who, but let's just say that everything she did was out of this world, and everything I did was enjoyed by both of us!

She's not shy about asking what you want, and is not offended by being told what you want. This girl is by far the sexiest escort I have ever had the pleasure of spending time with.

Please guys, treat her nice. She definately responds well to politeness, and oh boy does she show it!

Would I visit this lady again? TRY AND STOP ME!!! lol
