The Story:

Arrived about 10 minutes late but did let me know in advance she wouldn't be there on time.

We had a quick get to know you chat, anna then slipped in to the bathroom. She came out in sexy black and pink lingerie, gave me a great kiss and asked if i wanted a massage.

Massage was nice then things went from there, amazing owo very nice.

Went about 20 minutes over time, i offered to pay but she politely refused. Kiss on the cheek and off she went leaving me very happy.
