Angel is a damn sexy Oriental girl and her body is absolutely incredible.

The Story:

The service I recieved from Angel was by far the best I have had yet. I had a nice assisted shower and this was followed with owo and her technique and the way she used her mouth were excellent. She likced the shaft of my cock and around my balls, as well as a few licks on my asshole which were very pleasent. Then the way she took the whole of my cock deep into her mouth was unbelievable and it didn't take long until I came in her mouth. She went to the bathroom to rinse her mouth out and then came back and massaged my body before getting on all fours and I gave her a good ass fuck before entering her nice tight pussy to finish up. Angel was sweet and friendly and happy to oblige in anything I wanted and I don't think she knows how to dissapoint. This was a brilliant punt.
