The Premises:

Terrace house in central Luton. Christine is the maid - very friendly. Choice of two girls - both looked very nice.

Quite expensive here, but consistent quality.

By the way, Rebecca [the pocket rocket] has returned to Brazil.

The Lady:

Olivia is an extremely curvaceous Italian girl - superb breasts and a bum to match - a true hourglass figure - with blonde hair and seductive eyes. Very Sophia Loren.

The Story:

I undressed Olivia while her back was turned, and plonked the pork sword on her bum. When she turned round and expressed her amazement I told her the old Mae West joke ["is that a gun in your pocket, or are you just pleased to see me?"]. That was the start of a very memorable session. Her oral skills are excellent, and she rather liked rubbing her magnificent breasts on my cock as well. I explored her fanny with my tongue - succulent labia and a responsive clitoris -she likes a tongue inside. We followed with some missionary which was excellent - preparation is everything - full depth and excellent muscle control. Couldn't resist some doggy for a view in the mirror - what an ass! But reverted to missionary for the finale, which included some deep french kissing as I came.

A steamy session indeed. We nattered for a bit and swapped stories about Italy - she's a lovely lady.

Olivia has worked in Luton for 8 years - I'm amazed there are so few reports on her
