### The Premises:

As described previously - still the squeaky beds!! Rooms fit for purpose - lots of hot water in the shower.

### The Lady:

Described on the phone as 19. Not too good with ages and would have said a few years, but no more, older. Rest of description - 5' 6", slim, toned, size 8, all over tan, lovely long hair - was absolutely spot on - only omissions were the lovely eyes and super smile.

### The Story:

Sensations has had mixed reviews in the past but gentlemen, a new era has dawned. Ella met me and escorted me to the room. They now have the prices displayed which makes life simpler. I made my choice and had a sluice in the shower. Ella returned before I had got out and helped dry me - a definite first!

Then things went from good to brilliant. Ella has a fabulous body - no boobs to speak of, which doesn't bother me in the slightest, but endless energy and an infectious enthusiasm.

I had a fantastic punt and will definitely return. So will you.
