The Premises:

Rachels in Ipswich, on a busy street, parking over the street but usually full up, clean and tidy enough inside.

The Lady:

Sarahs in her early 20s, big brown eyes, attractive, all over tanned, brunette with enhanced dd boobs that she has had done since I last saw her, nice bum as well.

The Story:

Entered and shown up to the room, got on the table and Sarah came in and started the massage which was unhurried and very relaxing, chatted throughout the massage and her work, and various different things, eventually turned over for the hr which was great, pro longed and teasing, getting you right to the edge before the final release.

She works Tuesday pm and also Thursday and Friday pm and is well worth paying a visit too.
