The Premises:

basement flat shared with another agency girl, easy parking after 7pm, and safe

The Lady:

very tall well proportioned EE babe, what a body, would look amazing in an evening dress, then even better to shag afterwards!

The Story:

I was after a "nightcap" and what i was looking for was a full on shag with Sabrina who I had tried numerous times to book in the past but she was always busy, well I was in luck this morning as it was so late.

this was a frantic 30 mins of more intense gfe, watching this tall sexy bruntte who hardly speaks any english but knows the language of sex, engluf my knob with her warm mouth and round bubble butt pussy slit was too much, I came heavily during mish with sabrinas long legs wrapped around my sweaty body, until I was completey drained.

Highly recommended, i will be back for longer and also to fuck her good looking flat mate who I bumped into on the way out.

I am surprised there are no other reports about her. oh well its a tough job, and someone has to do it, only problem is that it is costing a small fortune!
