The Premises:

I saw Pia in Bedford before she moved to her new flat in Hemel Hempstead.

The Lady:

Very attractive lady with a divine body.

The Story:

I know it's 6 months ago, sorry.

The usual approach. Given directions to her car park, called 5 mins before for details of the flat number etc.

Greeted at the door with a heavenly smile and a kiss then taken through to the kitchen. Offered a choice of drinks and spent a few minutes chatting and breaking the ice (without the clock running) before being taken off to the bedroom.

As this isn't posted as an erotic story I won't go into detail, suffice to say Pia is a truly sensual lady who likes to be treated gently and passionately. She's a great kisser and is worth the visit just for a kiss and a cuddle.

Now she's moved to Hemel Hempstead it will be a lot further for me to travel to see her again but when I can get away from real life Pia is worth every mile.

Hope to see you again soon xx
