The Premises:

Julies home is one of the best that I have visited. Most have a sort of strange smell. Dogs or old ladies.

Julies home smelt MMMM sexy. Great location for the visit and felt very safe to visit and will be again soon.

The Lady:

The description of Julie is spot on. Tall blonde in her very early 40s. Great smile and dressed very sexy and just ooosed of down right sex appeal.

The Story:

Smells are my thing. I just love to lay the girl down and spend at least 15 mins just going over the whole body and just smelling her.

Julie was fine by this and just lay still while I enjoyed myself. Its just some thing I love to do with a new woman. My cock was rock hard after this and Julie did nmore than take my cock straight into her open mouth. WOW shes good guys. Better than most I must say.

I new I was close, so asked Julie to go slowly as I was not ready to cum just yet.

On with the little rain coat and some very good fucking started.

Julie is one of the sexeist working girls I have been with. So if you want a good PUNT, don't over look this girl if your ever in the location. 10/10 for me...!!
