The Premises:

A very nice new flat in Hemel Hempstead close to a multi-storey car park and with access by entry phone. Easy to find and easy to access. The flat is well equipped and she is getting it the way she wants it.

The Lady:

Her website gives you a good idea and is accurate. 38 years old. Blonde, curvy but not fat, great kisser and very sensual. Great eyes and lips but the rest is well worth seeing too. Good dress sense.

The Story:

I have known Pia for a while and for various reasons we had never got around to doing the deed although we had flirted a lot both in person and via email and online. Therefore it was natural to take it on to a meeting.

Again a few things intervened but after a little diary adjustment we sorted it out and eventually met one on one.

I had brought some Bucks Fizz with me and so we sat and chatted over that to start with and then had an amazingly good session which started in the living room and ended, naturally, in the bedroom, and we both seemed to have a really great time.

There is no doubt that this lady is one of the world's greatest kissers and that she appreciates being given attention but is very generous in returning the compliment.

During the event we chatted, laughed and drank more Bucks Fizz, which complimented the glorious day and the stunning blonde.

I think it would also be fair to say, and with no hint of boastfulness, that I also taught her what ?fornication? means!! LOL

Ask her if you see her!
