The Premises:

Pearl's 1st floor apartment is set in a small block in a very quiet side road with 2 hour free parking outside just a few hundred yards from the High Street and London Road rail station. As befitting a lady her place is immaculately neat and spotlessly clean. The area is undoubtedly safe and respectable

The Lady:

Pearl is a tall very upright dark haired lady in her late 40's early 50's; she has a most statuesque figure with gorgeous natural boobs, long slender shapely legs and no hint of a middle age spread whatsoever

The Story:

Pearl welcomed me with a nice smile, wearing a red wrapover dress displaying just the right amount of cleavage. She made me a cup of coffee and we chatted very amicably for a short while. However itching to unwrap this very classy lady and see if her refinement inhibited her sexual desires I suggested we adjourn to the bedroom.

Pearl offered to give me a back massage but I declined politely as I undid her dress and slipped it off; she stood before me in a black bra with her tits spilling out, black lacy panties and black stockings and smiling invitingly. I was out of my clothes in an instant with Pearl's assistance and very soon unhooking her bra and easing her panties down her stockinged legs to reveal a veritable bush of dark hair under which lay hidden treasure. Before setting out to explore the bush I felt her magnificent tits and gently sucked her nipples

I lay Pearl on the bed and parting her pussy lips inserted my tongue deep inside, she was already well moistened and for the next 10 mins pleased her this way before Pearl keen to make sure I enjoyed the same put a condom on my swollen cock and gave me a superb licking sucking combination. Following on she guided my cock into cunnie doggy style and I thrust inside her most enjoyably.

Fearing I would come I asked Pearl for a break but within minutes she sat astride me, my cock right up inside her and she leaned forwards to swing her ample tits tantalisingly in front of my face. I

grabbed each in turn and sucked her nipples once more.

Feeling again on the point of ejaculation I called a halt and we lay on the bed cuddling for a few minutes before I decided what my grand finale would be. Pearl knelt on the bed and grasping her peachy bum cheeks I rammed my cock back into her and for 30 seconds or so gave it all I had got exploding at least 2 weeks spunk into her. Pearl was more than willing and revelling in the action; she certainly wants you to enjoy her.

Thoroughly satisfied and washed clean we returned to the lounge for another coffee and very pleasant conversation. I looked at my watch and noticed that I had gone well over my time but Pearl was totally unconcerned. She kissed me on the cheek at the door and hoped to see me again. She most certainly will, for ?80 an hour with Pearl is an absolute bargain
