Annabella's - quite new when I visited. Clean, and in a good location. Free parking nearby.

The Lady:

Tammy is a natural redhead, slim, lovely tits, with a shaven snatch. Very very nice.

The Story:

I have a bit of a redhead thing, and had planned to see Tammy for a while. In the end I did an off the hoof half hour. Tammy is very attractive and I believe that her photo's do not do her justice. She is lovely. Punt was a good one. Tammy likes to kiss, which suited me fine, covered oral (only downside), but it was quite good nonetheless, then on with the condom, and a nice shag with Tammy on top to start with, then mish, and finished off with some nice deep doggy, and me blowing my load up Tammy's snatch. A very enjoyable half hour. Only wished I'd booked for an hour or longer. Would definately see again. Highly recommended.
