### The Premises:

Very discrete apartment, very clean and comfortable.

### The Lady:

Just like the pictures in her website, very classy cuddly lady. Lingerie to die for.

### The Story:

A genuine GFE experience, fantastic kisser could have carried on kissing for the duration of the visit. Wonderfull body, OW was an experience to behold. Always asking what you want and willing to please at all times. Being a lingerie freak she kept on her thong and bra for the duration, came in a romantic kiss and cuddle routine. Left the building on planet 9. Would recommend this gorgeous lady be carefull with her nipples she is very sensitive to take care.
