The Premises:

This establishment has been reported on many times - OK, clean flat just outside Harrow town centre, free parking opposite. A safe area.

The Lady:

Bianca is a beauty - all bosom, bum and long blonde hair! The website photos simply don't do her justice - I'd go so far as to say she's one of the most gorgeous girls I've ever seen, delightfully firm, curvy and tanned all over and a lovely personality, too.

The Story:

Opted for the full GFE - I don't intend going into all the gory details, but this girl is an absolute honey - she can use tongue, teeth and nails to devastating effect! The time just flew by, I haven't had such a good time for many a month. Treat her well guys, she's something special!
