The Premises:

the flat is top notch with showers, towels and plenty of space. the area is plush and very safe.

The Lady:

there were seven girls to 12 men at both the parties i went to. all these girls are stunning and very pleasant.

The Story:

i enjoyed the party so much that i came back for a second one an hour later. i did 1-3pm and then 4-6pm. it was amazing and the girls are all so obliging. if you are on your own the girls come over to join you either one to one or enmasse depending how busy they are. lady marmalade is the best in my experience due to the ratios and the great girls. the only problem for me is the length of the parties being only 2 hours. for me 3 or 4 hours would be ideal. also, if you drive note the day parties are in the congestion zone and you will have to pay for parking. overall an amazing time with very nice helpful staff.
