The Premises:

Tara does incalls at a hotel not far outside Oxford. So nice clean room.

The Lady:

I found her absolutely gorgeous. Photos on site certainly genuine. Just one pet hate of mine...she has a belly button piercing.

The Story:

This was an unusual punt for me as I normally frequent parlours through financial necessity, so when I decided I wanted a to splash out on a treat I thought I would go for a very highly regarded lady. Actually on the day I had serious second thoughts, as well as unexpected problems with work, but decided to "screw my courage to the sticking place" and go through with it, partly because I just didn't want to get labelled a timewaster. I don't regret it for a moment.

Very efficient email arrangements were made, and 2 days after first contact I was travelling to the appointment. Tara texted me her room number as I travelled. I ended up being 5 minutes late and Tara said she feared I would be a no show. Ironical given my earlier quandry (of course if I had decided against of course I would have contacted Tara).

I was pretty taken with Tara's beauty and smart dress sense. I accepted a glass of wine and sat on the bed while she sat opposite and we chatted for a while. She is certainly very open, an entertaining conversationalist and clearly intelligent. Given I am fairly shy she made it all as natural as possible.

It was Tara who started removing clothes and moved to the bed. She kisses wonderfully and was very responsive to my RO efforts. Then when it was my turn she gave me a very very good BBBJ. That was enough for me!

My reservations are simply that to get the best experience out of this wonderful woman, I would like to visit for longer, maybe a dinner date, or at least become a regular. Unfortunately for me I knew this was going to be a one off because I just can't risk financial ruin! I guess I should go back to my

usuals where there is little chance of getting too attached to the WG and it is easier to abstain if money is tight. Don't get me wrong, I think Tara is fantastic and her rates very reasonable given what she gives to the encounter. It really is all down to me with my miserable nature and even more miserable salary! I will tick yes to the question "would I visit again", because if money became not a problem I would be there without a thought, but actually it is unlikely.

I guess this is what it would have been like if Bristol City had been promoted to the Premiership this year.....just a bit out of my league!
