The Lady:

Decided to pop by on the spur of the moment after a long day at work. Hadn't seen Jade before but was tempted by her olive skin and exotic mediterranean looks. Not skinny but slim size 10, around 5'5" with a great arse that demanded to be spanked - bootylicious is the term that comes to mind. Lovely pretty face and a lovely local accent to her as well.

The Story:

Very down to earth and friendly girl. Started off with a massage which was pretty good, but not the best at Spangles. She does have a delightfully playful light touch that teases.

OWO was bloody fantastic, with lots of deep throating and sucking at the right pressure. Shame she doesn't do CIM otherwise I would have just settled for that. Whilst she was bending over giving me owo it was pure heaven grabbing hold of those butt cheeks and giving them a wobble - what a sight!

She tastes as good as she looks, very clean and totally shaven. Lots of eye contact during sex meant that I couldn't last very long and eventually opted to come over her tits.

She's only just started at Spangles but could well be on her way to building a solid client base if she performs like this on every occasion.
