The Premises:

Shared flat in ex council block. Scruffy building but in a generally very smart area. Safe.

The Lady:

Slim olive-skinned 19 year old Romanian girl. Similar to girl in photos, if not her. About 5'8", very slim, pert, firm and pretty.

The Story:

I visited her via Best Escorts 4 U. When I rang they had just taken her off their website (I have given a website ref to Penthouse Angels who are showing her as "Angel" for 250 but I paid 200 via BE4U who had her as "Angelina"). The very helpful and honest receptionist (plaudits to them - if only all agencies were so good) said they had received many complaints about her. However, I was welcome to visit her at my risk. Head said no but Dick said yes and we know who wins those arguments.

Turns out both were right. On the plus side she is a very hot looking girl. Just about perfect for lovers of slim pretty teenage type girls (even better, could almost pass as north Indian). Superb slim body and hot and tight. Impossible to last long inside her.

On the minus side, she has a truly terrible attitude. An ok start (reverse oral permitted) but totally unresponsive and, incredibly, within about 3 minutes of starting mish, told me to hurry up with about 30 minutes left on the clock. I know that I am no sex god, but it was almost as if she had a speech bubble above her head saying "When will this dirty old man finish fiddling with me?". Truly Eastern European standard of service (in the pre-1989 sense)

So now comes the tricky bit. The recommendation. I should probably say No, but I'm going to say Yes simply because she is so hot looking. But only go to feast your eyes and have a very quick basic f*ck. Do not go if you want anything resembling decent service, GFE, smiling, chatting or significant human interaction. You have been warned!

Will I visit again? Of course not says Head. Don't be ridiculous.

Meanwhile, Dick is not so sure.....
