The Premises:

Very nice place near Paddington. Candles burning in hallway and in bedroom upon my arrival. Top notch.

The Lady:

Cheryl is one of the most beautiful women. Her pictures almost look too good to be true, but she is in fact that pretty. Great body, slim with enhanced rack.

Lina was pretty and I think the pictures on the site, although probably enhanced, do reflect her appearance.

The Story:

This is my second time seeing Cheryl, and part of a duo as I was looking for a treat and was the only duo I could arrange in a short period. I had similar experience to posters here with her before, she has a routine, only wanted to provide OWO and I left the first encounter without her actually taking her clothes off. Thus, I was apprehensive, but assured by Susan from ATOC that they were interactive and had very good feedback.

Well, I wouldn't consider them interactive, they reluctantly did a few things I suggested (they are room-mates). We started by undressing and some kissing and Lina did some OWO as I kissed Cheryl's breasts. Cheryl tried to make me pop, but I declined suggesting I wanted to move on to the next step. To my amazement, Cheryl then said she couldn't do it with me as I was too big (I wish it were true). Lina was a trooper, made up for the slack and I wish I would have just seen her. To her credit Cheryl finished with OWO and CIM which was pretty good.

I gave Susan from ATOC the feedback and she handled professionally and suggested a discount on a future punt.

I thank all the punters, by using this board I have made some good choices, I felt it was my time to give back. Although it was a disappointing punt, I can see how people could review Cheryl positively. She is beautiful and engaging. But, if you are looking for skills in the sack, she isn't the

one based on my experience. Lina, would probably be very good and accommodating on her own. Together, they made a very nice atmosphere, were very sweet, looked absolutely stunning, but don't give the performance of a great duo.
