The Premises:

Immaculate flat, stylishly-furnished and conveniently located midway between the Edgware Road and Marble Arch tube stations.

The Lady:

A good-looking Japanese woman, probably enhanced though I'm not sure and probably in her late 20s/early 30s - she's been around awhile - with several tattoos and a knowing-look in her eye. This woman is GOOD, she knows it! And, unlike most 'Japanese' WGS in London, she really is the genuine article - and yet priced at only ?150 p/h, rather than the more typical ?200/?250 most true Japanese escorts here charge.

The Story:

Mariko really doesn't need this FR. She already has 23 (21 of them favourable) as either 'Mari' or 'Mariko' on Punternet, as well as a few others on C69 and TER. But I'm submitting it anyway because I 'found' her by accident (I tried to book the former 'Jojo' of the late Oriental Gems, who I thought had returned to Thailand six months ago, but whose photo magically appeared on the Asian Secrets website as 'Nikita') and I think my experience was instructive.

As it turned out, it was a very fortuitous case of 'bait and switch' since Mariko (she is not even shown on their website) turned out to be a far better punt than Jojo. Not as 'fresh', perhaps, but very skilled in the subtle arts of seduction and a lovely person. Although I'm sure she is more than a match for the most zealous punter, she also offers a lovely GFE, including an expert massage and a delightful cuddle afterward - she kisses with real enthusiasm and clearly enjoys her work.

So chalk this one up to good fortune, more than offsetting the ill fortune of a horrific Japanese punt in Uxbridge a couple of weeks ago (I was similarly deceived by heavily photo-shopped images on the unmentionable website) that I was too ashamed to report. Mariko is a winner.
