The Premises:

Rachels place just out of central Ipswich, busy street, parking over road but often full and tricky, I park further away and walk. Clean enough and tidy inside.

The Lady:

Fiona is a milf type, sexy with an easy going personality, nice round bum, good boobs, brunette, she will come in wearing the massage unifrom but depending on which option you go for will slip out of it later on.

The Story:

Have seen this lady a few times now, she gives a very nice, unhurried relaxing massage, paying good attention to your legs, bum and thighs, building up very nicely. Once turned over she slips out of her unifrom to reveal a nice body, touching is not a problem, and she does wonderful prolonged HR, leading up to an explosive finish.

Shes chatty and will make you feel relaxed right from the word go and works Monday am 10-2 and Tuesday pm 2-7. Well worth a visit.
