The Premises:

Discreet entrance down a small road as described in several previous reports. Lobby entry with security window, small rooms but well maintained and clean. Choice of two girls working.

The Lady:

Described on the phone as blonde, 38dd, mature, size 10, as usual slightly rose tinted view of size but very attractive non the less.

The Story:

Very chatty, started with a good massage, and then covered aural, happy (encouraged!) to reciprocate. Followed by sex in missionary, sadly enjoyed myself to much to last for a second position, my fault not Heathers. Overall a great punt. No rush to clear off either, offered a drink prior to leaving, advised shower also available.
