The Story:

Had finally arranged with Helen to visit with my girlfriend. Met at the door and both given welcoming deep tongued kisses, my girlfriend was already flushed. Helen led my girlfriend upstairs and I followed behind gently fingering Helen's pussy. All were soon undressed and I enjoyed the full attention of two beautiful and sexy ladies, alternating between oral and fucking both. Highlight was pounding Helen's arse and shooting up her back as she brought my girlfriend to a shuddering orgasm with her tongue. An experience of a lifetime, thank you Helen xx.
