The Premises:

As usual, easy to find, plenty of parking, discreet entrance.

The Lady:

Two girls on - Jade and Marie, both quite attractive, I plumped for Marie, mid 30's, size 12, dyed blonde, not bad looking.

The Story:

Marie came in dressed in a nice black bra and panties, the usual quick rub down was very pleasant and Marie was chatty and amusing to talk to.

I'd already explained what I was after and Marie took off her top - excellent natural breasts, 34DD?, a delight to suck on. Marie then slid off her panties, a smooth shaven pussy with a tuft of light brown hair, Marie lay on the couch and opened her legs to allow me access. Marie's pussy is absolutely stunning, nice lips, lovely aroma and very tidy. Sliding a finger in and giving Marie some intense licking and clitoral fingering soon had her writhing around. Marie kept encouraging me to give her clit serious attention, after about ten minutes of this she orgasmed, as she did do a large gush of liquid flowed out of her, soaking the paper couch cover, Marie said that was the first time she'd ever squirted! I must be doing something right, pity I still had to pay her!

After this, and when Marie had calmed down she rolled on a condom and gave my old man a good sucking, then up on the couch exposing her delicious rump and in up to the hilt into her soaking wet hole. So wet it was quite difficult to get any purchase but after some hard thrusts and a few minutes later I unloaded into her.

All in all an excellent punt, fair value, pity she doesn't kiss but I'd certainly go back if only to see her squirt again.
