The Premises:

first floor flat above pizza/kebab shop.

plenty of parking around the back, at diy store.

fairly discreet entrance down alley, once inside its clean, with comfy double bed and porn playing on tv in the room.

The Lady:

late 20's shoulder length blonde hair, size 10-12, would say about c cup breasts, pretty face, and looks sexy as hell with her glasses on.

The Story:

was welcomed in, once i'd sorted out the money with emma, she left me alone to undress, and get comfortable, not long after she returned and started with a gentle massage, with soe nice attention to my balls.

turned over after a while, for some light kissing and a chance to play with her breasts and suck those lovely nipples of hers.(whice she loves). this was followed by a session of covered oral,which was fantastic, just the right pace.

we finished of with sex in two positions, her on top, then doggy.

cleaned up shown out, no rushing.

all in all, a great time, have seen her twice before, and seen another lady that works there too.

fantastic value for money. thanks emma, will be back soon x

just hope you'll let me return the pleasure with the oral one day x
