The Premises:

Debbie's famous straight-dealing establishment has been much reported and specialises in hospitality and professionalism. The value of the returning punter is appreciated here.

The Lady:

Bonnie is a titch with an ample bosom. So, if you like 'em small, cheeky and rude in the sack then you'll hit paydirt if you pop round to Debbie's on a Tuesday.

The Story:

I went for my usual house special, commencing with the shower and moving on to the bedroom where those ample norks were thrust in my face with a curt instruction not to bite. A 69 ensued with her on top, then the podger itself, following which I ascended that well trod staircase in a considerably weakened state. Thank you Bonnie. That was a treat.
