The Lady:

Pettite brunette, black hair, dark brown eyes. If you like Mediterranean women, you'll love this exotic beauty. See website for recent photos - unfortunately her very pretty face is blocked out, but you'll get the general idea.

The Story:

Taken up to the room by the receptionist on arrival after booking in advance. Showered whilst waiting for Yasmine. She has been on my to see list for some time, and when she entered the room I was not disappointed.

The clothes she was wearing weren't on for very long and she proceeded to give me an excellent massage, which included body-to-body and a fair bit of tickling between my legs. Flipped me over and, after a bit of kissing, started a prolonged session of OWO. This included plenty of eye contact at first but I wanted to get to grips with her lovely arse, so she positioned herself in the 69 position so that I could alternately tongue her arse and pussy, which she loved.

She brought me to a climax with good use of hands, mouth and breasts and we chatted for a brief while before another massage and more OWO. I then returned the favour by going down on her sweet haven which soon became very wet. I think she came - she said she did and she was wet enough - and she certainly enjoyed it. Tried to wank me off to get me to come a second time but Salty junior was having none of it - but I did get to finger her arse and you couldn't fault the girl for effort.

All in all great punt with a great girl.
