The Premises:

The location is very exposed. The two fellas watching me with a smirk as I entered from the busy street was offputting, but hey-ho. Once inside its quite rundown, but quite clean.

The Lady:

Oh this girl was beautiful, absolutely tiny but perfectly formed. Slim, but with nice big breasts and very good, soft skin. Big clear eyes.

The Story:

I waited a while as I was a bit late due to traffic. She had to clear out another punter and I was happy enough watching a porn flick playing in the room. Once she was free, we moved onto a shower and this was a first for me. She soaped me up lovely and was really grinding against me. I loved it. Back in the room I went straight down on her and then into a 69. I like to think she enjoyed it, but who can tell. Sex was missionary followed by doggie which was fantastic. This girl is really enthusiastic and really gives it to you. Personally, I hated the parlour, but the girl was awesome. Even the maid was friendly and left me wondering if she worked.
