The Lady:

Small and lovely indian lasy. Quite chatty and helpful. Curvey with great breasts.

The Story:

She was a fair kisser and did a good blowjob. Seems to like having sex with her big stilletoes on. Did a position for a while and then changed position. She was working on some internal conveyor belt. Great when on top as able to kiss better. I had a great time and ran out of time. Final handjob was amazing, never had my prick so tall at end. I guess i could have put out a fire with come! Been a while guys. Good fun.
