The Premises:

Nice little flat in a quiet side street. It felt safe and was clean and well cared for.

The Lady:

Petite, almost fragile looking blonde with nice big eyes. Absolute stunner with a neat little figure.

The Story:

I enjoyed myself immensely on what is only my second punt. I was like a cat on hot bricks when she opened the door and she succeeded in putting me at ease very quickly. After picking my jaw up off of the floor, I took a shower which we'd arranged prior to arrival (god it was hot today) and she was laying seductively on the bed for me. We chatted a bit, then got down to some fun.

We played about a bit in various positions, until eventually my time was up. Its fair to say that I had to drag myself away.
