The Premises:

Very nice ground floor flat, very clean and tidy. The parking was good and the entrance discreet, giving a good safe feeling.

The Lady:

Sasha is tall, slim with a gorgeous taut and tanned body. She has a lovely long pair of legs that seem to go on forever, but when you reach the top they get "cheeky" They also feel as good as the look!

The Story:

This was only the second time I had visited an Escort, the first being the previous month for half hour with this lady. She put me immediately and we undressed each other which I found really nice. Then onto the bed for a long session of mutual kissing and caressing, boy can this lady kiss. I gave her oral and judging by the reactions she enjoyed it. On with condom and Sasha now gave me some fantastic O, the way she does it made it so I did not notice I was covered. Then "Doggy" style until I came (more exploded) Clean up time and then we lay on the bed for more kisses and play. At no time did she look at the clock and we ran well over the hour. Will I return.. you bet I will
