### The Premises:

Rachael's very popular so I had to wait for a while to see her - and while I did I had a nice cup of tea and sat and watched a James Bond film on the TV. Like a home from home!

### The Lady:

The photos on the website are slightly airbrushed, but Rachael is hot stuff. Late 20s, blonde, big tits and looks as though she's going to be filthy.

### The Story:

I said it looked as though Rachael was going to be filthy - she was. Snogged my face off to start with, then said she was going to make me cum three times in the hour. First one was easy enough - she could suck a football through a hosepipe and her BBBJ was awesome. Then on with the rubber and a few positions, ending up me fucking her in missionary. Third time her on top. And in between, she was really nice to chat to, made me feel very comfortable and very happy. Definitely a star, and definitely recommended!
