The Premises:

Very handy and discreet entrance. Park in DIY car park and cut through far jitty. Room is clean and tidy with a double bed and a porn film playing on the TV.

The Lady:

Not gorgeous but pretty enough with a great body. Lovely tits with great nipples which she loves to be sucked. Emma is not very tall but very cute. Was wearing a sexy teddy and fishnet stockings. Lovely manner. Very polite, returns your kisses nicely but does not allow reverse oral.

The Story:

Emma was the last of the 3 girls I have seen who work there. Kelly and Chloe are both great as well. Chloe is my favorite, she reminds me of Kate Lawler. All 3 have great bodies and are nice and young. Outstanding value for money from all of them. Anyway back to Emma. Started off declining the offer of a massage and chose instead to enjoy Emmas charms. After I had had my fill of her lovely body and those superb nipples it was my turn. On with the condom for some nice oral followed by great sex in 3 positions. These girls really try their best to please and they all succeed with flying colours. Can't wait to get back.
