The Premises:

Ground floor flat in the Old Brompton area of Earls Court.

Parking is difficult during the day but wasn't much of a problem at night. Seemed fairly safe. Room was quite cosy.

The Lady:

Some of the pictures may be genuine but some are fake. She certainly has the body of a fitness model with strong muscular legs and a good figure. Boobs are fake and didn't find her that attractive facially. Probably in her 30's. Black hair tied back.

The Story:

For a woman of her age she has managed to keep her body in good shape though not very womanly.

A friendly woman who was relaxed and confident. Gave a soothing massage. She didn't do owo but just licked the edges of the shaft. Having put a condom on me she jumped on top and gradually got into a rythm while moaning. After a while we changed positions and gave her a good seeing to in doggy. Shagged her hard for about 20 minutes until I shot inside the condom and collapsed on the bed.

Cleaned up and relaxed on the bed. Jane had disappeared to the bathroom and returned with her dressing gown on.

Talked about things for a while and then she asked if I'd like a shower. It was clear there was no second round.

Had a quick shower before saying goodbye.

Overall a good shag but found her to be a bit moody. Also she smelt of ciggarettes and appears to be a heavy smoker.

If you like muscular fitness babes you may want to give her a try. Dont think I'd return.
