### The Premises:

clean pad,good location....been there before to see another girl,totally safe

### The Lady:

totally absorbing to look at....natural beauty,beautiful fresh skin and crazy tits...pics do not do her justice

### The Story:

decided to go see rita because of her tits (natural ones are such a rarity)but was slightly sceptical about her service having read another review that she swallows and although it feels great would prefer to know that shes clean&healthy...rita assured me that she plays safe and wow does the girl know how to play....totally satisfying,completely sexy....gfe,polite,got me very horned up and drove home on cloud 9
