### The Story:

Alice insisted on undressing me with oohs and ahrs when she got to my intimate parts. I laid on the bed whilst she undressed. Whilst not in her first flush of youth her body was pleasant to the eye. I encouraged her to stimulate and squeeze my nipples and returned the compliment, albeit not as hard. She then gave my balls and shaft a very pleasant licking but declined to give me OWO saying that I was cumming as I was leaking a small amount of pre-cum. She put on the rubber and continued studying her "O" levels, she has already achieved a reasonable standard and should do well in her final exams. She then rode me in Cowgirl for a while until I requested that we move to the massage table for sex in my favourite, but very rarely available position. Alice laid on her back on the massage table with her bottom on the edge whilst I rogered her from a standing position. I was thrusting away quite deeply which she took with a good heart. After a while I came to a very satisfactory climax. Back to the bed for Alice to clean me up and she then wanted to give me a "proper" massage which she seemed upset that I declined due to lack of time. She then insisted on dressing me before plying me with toffees before I left. A very pleasant and satisfying session with a pleasant lady, I will return!
