The Premises:

One of the better venues for choice of women in the east midlands. Next to a florest and in a quiet safe area. Small receptio cum kitchen leading to stairs up to 2 small rooms and 1 big room which has a hole where you might expect a light fitting (secret camera - just being paranoid guys). Only room was a small one.

The Lady:

stunning, skin as white as marble, very pale Polish girl. About 22 excellent figure.

The Story:

Amazing body and very responsive. Found it was all to brief and came early. That means mission done to girls and is the usual policy. Need to check on punters reports if this is usual? Another time then.
