The Premises:

One of the better parlours in East midlands and one i seem to drawn back too. Safe location next to a florest shop. Come to think of the florst delivery man was sampling the flower i came to see! So my other choose was to meet Charly.

The Lady:

Lovely Russian girl whose command of English was good. Good figure with nice breasts and bum. Blond hair and quitr chatty.

The Story:

Initially really got going with excellent BJ followed by on top. Tried the stand and deliver in front of mirror (saw it on a porn movie) and came too quick. As is policy, game over will spend rest of time with massage. As she was so good booked anothe 30 mins and we had a shower together. Like football is a game of 2 halves, i became a better player and started to move down the touchlines of her body and cross over some excellent goals which had the crowd (Charly moaning). Hmmm very good.
