The Story:

The Mayfair location is a bit historical, as by the time this review is up Vicky will have moved to a bigger flat in Earls Court with her friend Daniela, also on Barracuda, whom I reviewed earlier this year (Duos? Can only hope!)

Vicky has only been in the UK for a few weeks and is learning English from scratch, so you need to meet her halfway on verbal communication. No problems with the language of love, though, she must have started early & kept in practice.

Not too many details, but it was all good, relaxed, a great workover in the hands of a girl who has thorough experience of men. Her oral is particularly worth mentioning, deliciously delicate concentrating on the glans ? I don?t think it would make me cum, but I could have spent all day receiving it this way. Eventually I asked her to ?turn up the volume? and reached a great climax into her throat. Vicky enjoyed my oral as much as I enjoyed giving it ? nice to taste, lovely large inner lips, neat Brazilian, spent a long time and would willingly have gone longer.
