Details of Service Provider:

The Premises:

A nice residential property in a quite street.
Plenty of parking and very safe access.
Doors not overlooked.

The Lady:

About 40, slim and very sexy in a rauncy sort of way.
Juliet has a lovely figure and great legs.

The Story:

After a bit of a chat while Juliet finished her cigarette we went upstairs. She proceeded to unveil her gorgeous body. The pics on her site are very accurate.
Doesn't go much for kissing so lets get to oral. All services are covered. So on with the condom first, this is something I don't mind.
Followed by missionary and doggy then finished over her tits.

Given the time a second pass wasn't offer, in fact it was almost as if well now it's time to leave....
Overall a good session competent if not adventures.
Worth at least one visit but wouldn't return.
