The Premises:

V quite and discreet rural location off main A452 between Kenilworth and Balsall Common with safe parking at rear of large detached house where other girls work but we seemed to be alone.

The Lady:

See her pictures on her web-site. Very attractive sexy minx in her early forties; petite with gorgeous boobs with lovely nipples and v neat shaven pussy.

The Story:

Debbie met me at the rear door to the house and offered me a drink which i accepted then went upstairs to an immaculate and clean tidy bedroom. She immediately calmed my nerves with some v horn inducing kisses and cuddles before undressing me, and me her. I won't go into too much detail but the OWO was amazing with a lot of eye contact from her deep brown eyes, the reverse O an absolute pleasure as was the cowgirl ride. There was no rush or clock watching. A solid gold girl who lives up to the expectations portrayed on the advert. Highly recommended, esp if genuine stockings and suspenders are your thing.
