The Story:

i had a very good time with gena, she speaks good english and has a very nice sense of humour.on arrival i was offered a coffee and made to feel very welcome and reaxed, then on to the bedroom where gina gave me a very good time indeed, she does a very nice trick with a mouthfull of coffee! she is a very naughty girl and great fun to be with.

i will be going back to see gena again,next time i will opt for a cold drink,perhaps with a few ice cubes!!
