The Premises:

Right, finally made it to a LM party on the 4th of July. very easy to find only 5 minutes from the station in a great venue.

The Lady:

Girls there were (Sabrina, Paige, Sofia, Alycia, Rafiella, Charlotte and Jewel)

The Story:

When i arrived i changed and had a shower, as soon as i walked out of the shower i was grabbed by sabrina who was sharing one of the massive beds with paige, started with Oral and then doggy style to completion (a great start to the party),

Another shower and i literally hadn't had time to dry off before being accosted by charlotte and alycia who offered me a two girl (my first ever)... who could refuse, started with oral from alycia and kissing and fondling from charlotte, before fucking Alycia, i ended up coming over alycia's tits, wow what a girl.

I popped up stairs to grab a quick drink, and then back down to meet up with jewel, no chance i'm afraid, it was too soon after cuming twice (next time for sure, she's lovely) i needed a rest and some refreshment, and sat down for a bit of small talk with moss and a few of the guys there, Em was reminding us why we were there and encouraging us to get back downstairs to the girl?

I wandered down and was popping in and out of the rooms when emma grabbed my wrist and literally led me over to rafiella, who was being fucked by one guy, she opened my robe and started giving me oral, once the guy had left raf climbed on top of me and rode me cowgirl, after coming twice i felt like i was going to last, a few changes of position including a hard missionary session, raf switched round to 69 and with the help of sofia and alycia, finally got the last cum of the day from me... i was fucked my legs were shaking like a baby giraffe.

The only down point was that i didn't get to party with paige, she looked great.

This place is great, cum 3 times (Raf, Alycia and Sabrina), Played with (Charlotte, Jewel, Raf, Alycia and Sabrina) i was on a high for a week, and had my first 2-3 girl expeiences

Get down there guys.
