The Lady:

Tammy is a stunner, she has lovely eyes, great long red head and a brilliant personality, and if that weren't enough, she has lovely natural tits and a pussy to die for. She is a lovely lovely lady, very genuine, patient and someone for whom nothing is too much trouble.

The Story:

This is the second time that I have visitied Tammy, couldn't quite get over how stunning she was first time round. I arrived on time and within seconds Tammy joined me. She was very concerned that she met my every need, and put me at ease very quickly. Tammy is a brilliant kisser, long and deep, and she certainly knows what she is doing when it comes to giving a blow job too. I am not going to go into detail about what Tammy and I shared together, suffice to say I left one very happy man. As I was leaving, she was very obviously ready for round two, but alas I had to go. As I say this was the second time that I have seen Tammy, and only the second lady I have visited, but I'll be back to see her again soon - she's addictive!! Thanks Tammy for a brilliant time, I only wish I could keep you all to myself!
