The Premises:

Brooklyns has a front entrance and back entrance which is very discreet. I found it very clean and was very relaxed. Was greeted by a new receptionist named Sue who was very nice and welcoming.

The Lady:

Brooke is early 20s with shoulder length blonde hair, green eyes. A perfect body with all over tan and a bum to die for. Bust 34b.

The Story:

Booked an hour with Brooke as wanted to take my time with this beauty. I can honestly say she exceeded my expectations and the service was FANTASTIC. It was definitely worth the trip and will be back on Tuesday for sure. I'm writing this also to let other guys know Brooke is worth the visit, as I see no previous reports for Brooke (god knows why). The service was not rushed, lots of foreplay, lots of positions and may I say a good BJ with deepthroat too bliss! Brooke certainly knows what she's doing and definitely how to do it. When we finished we lay chatting until our time was up. Was sorry our time was over but will be back soon for more fun.
