The Premises:

Very nice place, secluded with car parking around the back.

I was sat in a comfortable waiting area with large screen TV.

The film Tranformers was just coming on and i was tempted to watch it as i hadn't caught it at the cinema.

However the two girls on duty came and introduced themselves. One i'd seen before so for the sake of variety I settled on Jules

The Lady:

I'm always very pleased with Kandy's as descriptions of the girls on the website & on the phone are spot on. Jules is a lovely petite lady with a twinkling smile and a bubbly personality. She made me feel very relaxed and she likes a good chat.

The Story:

I enjoyed a wonderful sexual encounter with Jules, the details of which i shall respectfully keep between us.

Because there was a fair bit of chatting we did receive two hurry ups from the maid which was a bit off putting. but hey i still walked out smiling.

I can't imagine anyone not having a good time with Jules unless your preference is large mute women ;-)

Thanks Jules
