The Story:

I started with a shower while nikki sorted the money and fixed me a drink as it was quite a humid day.she came in wearing classy looking red under wear and walked up to me and gave me a passionate kiss which was a good start.good massage and then plenty more kissing and touching each other then excellent blowjob using both hands and going deep as she looked me straight in the eyes. My best gfe so far no clock watching and very attentive the whole time i was there.
